

Welcome to Fashion and Textiles

Level 2 Certificate in Fashion and Textiles

About this course:

This course is a great next step after having completed a Level 1 course or equivalent. It will help you improve your skills further. Designed as a progression from our basic introduction to Fashion and Textiles, the course will give you a deeper understanding of the processes involved in designing, making and selling garments with options for introductions to specific areas such as footwear.

Modules:

- Principles of design for fashion and textiles
- Using industrial machines including flatbed (sewing) machines, overlockers and steam press.
- Garment construction, both for craft (dressmaking) and industrial (for manufacturing)
- Optional units on Footwear, Accessories and Tailoring
- Quality control and inspection
- Health and Safety in the workplace

Next steps after this course:

After completing this course, you can either continue your learning by undertaking another full time course of Level 3 in Fashion and Textiles. Alternatively, you could start a Level 3 Garment Maker Apprenticeship.

Until you arrive at college, keep checking our website, social media and Applicant Hub for updates and even some activities to do before we meet you in September.
