

Welcome to Health and Social Care Level 3 Extended Diploma

About this course:

This two-year course is equivalent to 3 A Levels, providing a maximum of 420 UCAS points. You will learn through taught classes and activities, individual study, work experience and possibly a residential visit. This course will help you develop skills to care for others and the responsibilities of working as a professional in a caring environment.

Modules:

- Human life span
- Working in Health and Social Care setting
- Anatomy and physiology for Health and Social Care
- Enquiries into current research
- Health, safety and security in Health and Social Care
- Safeguarding in Health and Social Care
- Infection prevention and control in Health and Social Care
- Personal and professional development in Health and Social Care
- Protection of children, young people and adults in Health and Social Care
- Dementia awareness

Next steps after this course:

After this course, students may progress to Higher Education to study subjects such as Social Policy, Psychology or Sociology. They may also wish to progress onto vocational degrees such as Nursing, Social work, Radiography, Occupational Therapy or Youth and Community Work, or seek relevant employment in care work.

Until you arrive at college, keep checking our website, social media and Applicant Hub for updates and even some activities to do before we meet you in September.
