

Welcome to Health and Social Care

Level 3 Technical Certificate

About this course:

This year-long course is equivalent to 1.5 A Levels (maximum 84 UCAS points). You will learn through the classes and activities, individual study, work experience and possibly residential visit. This course will help you develop skills to care for others and the responsibilities of working as a professional in a caring environment.

Modules:

- Equality and Diversity in Health and Social Care
- Human growth and development
- Safeguarding in Health and Social Care
- Communication in Health and Social Care
- Infection control and prevention in Health and Social Care
- Psychological perspectives in Health and Social Care
- Sociological perspectives in Health and Social Care
- Working in Health and Social Care
- Reflective practice in Health and Social Care
- Synoptic Assessment

Next steps after this course:

After this course we hope you will continue to study with us and study our Level 3 Extended Diploma or gain an apprenticeship. Alternatively, you can go into employment in a care setting.

Until you arrive at college, keep checking our website, social media and Applicant Hub for updates and even some activities to do before we meet you in September.
