

Welcome to Digital and IT

BTEC Level 3, National Diploma

Creative Media Practice (Computer Games)

Hi, I'm Eleni Tsobanoglou, the programme manager for Digital and IT. The digital team is made up of dedicated professionals whose focus is student welfare and achievement. They have extensive experience and training, with personal interests in Website Design, Database Development, Computer Games Design, Graphic Design and Photography.

Have a question? We're always available for a chat. Get in touch with us by emailing eleni.tsobanoglou@keighleycollege.ac.uk. We look forward to seeing you in September.

This course will cover:

- Informing audience ideas through investigation skills
- Informing ideas in response to creative briefs
- Developing problem solving and creative technical skills
- Developing communication skills
- Responding to creative briefs with problem solving, technical and communication skills
- Developing professional skills and behaviours
- Professional skills and behaviours in response to creative briefs

Equipment required

No specific equipment is required for this course, but access to a computer at home would be beneficial.

Next steps after this course

After this course, you can further your understanding by continuing at Keighley College and progressing to university on a Games Design and Development, Games Art and Design, 3D Animation and Games Development course. Alternatively, you can go straight into employment as a Computer Games Tester, Games Developer, Graphic Designer, 3D Designer or a Games Programmer.

Stay updated

Until you arrive at college, keep checking our website, social media and Applicant Hub for updates and fun activities to do before we meet you in September.
