## 1. POLICY STATEMENT

Luminate FE colleges promotes equality, diversity, inclusion and social mobility by using learner support funds to remove financial barriers to learning, which may prevent learners from enrolling, fully participating, completing and progressing from courses. We recognise the positive impact of education on the lives of our learners and promote the full participation in course related activities and college enrichment programmes.

## 2. POLICY AIMS

**This policy is subject to funding agencies existing rules and therefore may change during the year. We reserve the right to change the policy during the year to reflect the changes.**

This policy seeks to ensure that:

- Learner funds are distributed in accordance with the regulations and guidelines laid out by funding agencies;
  - [16 to 19 Bursary Fund guide 2021 to 2022 academic year - GOV.UK \(www.gov.uk\)](#)
  - [DfE external document template \(publishing.service.gov.uk\)](#)
- Administration of learner support funds meet the needs of learners and removes barriers to learning;
- Systems are in place to administer, record and monitor funds, ensuring that funds are used for their intended purposes.

## 3. INTRODUCTION AND OBJECTIVES

Luminate FE colleges receives allocations of funding annually to provide financial support for Further Education learners from the Education and Skills Funding Agency (ESFA) (16–19-year-olds) and West Yorkshire Combined Authority (WYCA) (19+ year olds). Luminate FE colleges administers the funds received from ESFA and WYCA and distributes them to provide financial support in order to overcome barriers, which may prevent beneficiaries from taking part in or continuing in learning and accessing educational opportunities.

This policy covers the following learner support funds, which are available to eligible learners. Learners who apply for any of the funds will be assessed individually and awarded support based on their individual financial needs. Refer to Appendix 1 for details of the Awards.

The policy addresses how the funds will help reduce the challenges learners from disadvantaged communities and those living in associated poverty, including but not limited to refugees and asylum seekers, face whilst at college.

### 3.1. 16-19 year old learners (or up to 25 year old with an EHCP)

- 16-19 Discretionary Bursary;
- Free College Meals;
- Care to Learn;
- 16-18 Priority Fund.

### 3.2 19+ (AEB) learners

- 19+ (AEB) Discretionary Learner Support;
- 20+ Childcare (part of 19+ (AEB) Discretionary Learner Support).

### 3.3 Advanced Learner Loan learners

- Access to HE learners in receipt of an Advanced Learner Loan;
- Advanced Learner Loans learners (non Access to HE);
- 20+ Childcare - (part of the Advanced Learner Loans Bursary).

### 3.3 The purpose of the funds is to:

- Assist eligible learners to take part in or continue in learning. Learners in receipt of funds are encouraged, supported and expected to attend all of their classes;
- Support retention and progression enabling learners to achieve qualifications and progress into further learning, work or apprenticeships.

## 4. MAIN ELIGIBILITY CRITERIA

### 4.1. The college provides two forms of financial support to learners.

4.1.1 Luminate FE colleges learner funds will provide support for travel, childcare and meals in accordance with the terms set out in this policy;

4.1.2 Support for equipment, uniform, books, professional membership fees, educational, UCAS fees or employability related visits, enrichment activities and any other course-related costs may also be made available by curriculum departments. Refer to Departmental pages for details of the support available.

### 4.2 Learners must satisfy **all** of the following criteria for access to Learner Funds:

- A "home learner" who meets the residency requirements;
- Meet the age requirements of the fund;
- Be enrolled on an approved Government funded programme (ESFA, European Social Fund (ESF), publicly funded, traineeship programme);
- Be on a full-time course and/or substantial part-time course (5 hours per week and above including any mandatory placements);

- Be in receipt of income assessed state benefits/ tax credits (including Universal Credits) or have an annual gross income, for the 2020/2021 tax year, which runs from 6 April 2020 - 5 April 2021, of:
  - £28,000 and below (16-19) for household income;
  - £28,000 and below (19+, AEB) for individual income.

Exceptional circumstances will be considered individually based on information provided. No exceptional travel payments will be made by the Learner Support Funds Team until a signed assessment has been submitted confirming eligibility.

- 4.3. The college reserves the right to apply discretion to ensure that individual learners' needs and personal circumstances are taken into account when decisions are made.
- 4.4. Curriculum departments will publish a curriculum funds statement outlining support available for kit, equipment, uniform, visits and trips, UCAS fees or other course related costs for learners in individual course areas. The curriculum funds have the same eligibility criteria as the main ESFA funds. Individual support for learners will be supplemented with departmental resources.

Curriculum departments should use LSF/Bursary eligibility as an indicator when assessing learner support needs.

The ESFA funding rules state that essential kit and equipment must be provided by curriculum departments as part of the course offer.

- 4.5. In addition to the college administered funds, learners can apply for Care to Learn (childcare costs for under 20 year olds) and the Priority Fund (weekly payments totaling maximum of £1,200 per year to bank accounts for learners aged 16, 17 or 18 at the start of the course who are a child looked after by the Local Authority, or are Care Leavers, or are in receipt of Income Support or Employment Support Allowance and Personal Independence Allowance in their own right).

## **5. TERMS AND IMPLEMENTATION**

- 5.1. Luminate FE colleges strives to achieve the most effective use of ESFA funding to support the maximum number of eligible learners. Learners with an annual gross income, for the 2020/2021 tax year, which runs from 6 April 2020 - 5 April 2021, of:
  - £28,000 and below 16-19 for household income;
  - £28,000 and below (19+, AEB) for individual income;
  - Receiving Free College Meal entitlement.

It is important for assessors to distinguish between Free College Meal entitlement and discretionary meal support. Free College Meals are for learners who were previously receiving free school meals at school. Discretionary meal support is for learners who are now eligible for meal support since starting college. Refer to Appendix 1.1. for details of the income evidence required for Free College Meal entitlement.

- 5.2. Where a learner is aged 18 or over on 31 August 2021 and is dependent on another adult in one household, awards may be made on a discretionary basis. Due to the limited nature of the fund, payments are not guaranteed but applications are welcomed. This fund provides

help for learners from low income households. Applications are income assessed, based on the supporting evidence submitted with the application. Refer to Appendix 1.2 for details of income levels and documents which are acceptable as proof of income and household circumstances.

5.3. Where a learner is aged 19 or over, they will be assessed on their own income even if they are living within a household. Refer to Appendix 1.3 for details of income thresholds for Access to HE learners with an Advanced Learner Loan and other Advanced Learner Loan learners.

5.4. Applications are accepted on the online application system. In exceptional circumstances paper applications can be submitted. For learners who struggle with English language, literacy or digital skills support is provided through campus business support teams.

5.5. The guiding principle for distributing the funds is to provide support in the form of goods or services including travel passes, food from college catering outlets, sanitary protection and childcare. These are the factors identified as barriers to learning by learners. In some exceptional circumstances, such as a safeguarding risk, and at the college's discretion, learners may be paid by BACS payment (money direct to learners' bank account). There is a maximum limit to such payments. Refer to Appendix 1 for details.

5.6 The effective use of the funds will be monitored and evaluated through:

- Internal audit – annual;
- ESFA audit and annual returns;
- Learner focus groups and feedback;
- Learner survey;
- Effectiveness of forecasting and budgeting monitored in performance review;
- Feedback from and consultation with staff;
- Annual review of this policy;
- An emergency fund will be made available to provide financial support to learners who need short term help or face crises such as providing a learner with a bus pass to get home. In these exceptional cases the fund use will be recorded on learner records, however depending on circumstances, a full application may not be deemed necessary or appropriate.

5.7. The college will ensure effective management and systems of financial control are in place, funds are used for intended purposes and compliance with the ESFA and WYCA guidelines. A learner will only be awarded learner support funds if they have provided a completed signed application form and the required evidence that proves their eligibility for the relevant fund. Copies of income evidence will be retained by the college for six years. Support will be provided from the date a fully completed application form and supporting evidence as required is received by the Learner Funds Support team. Each application to the fund will be individually assessed. All assessors must complete the Learner Support training before carrying out assessments.

5.8. Eligibility for learner support does not give learners an automatic entitlement to receive it. Learners will be made aware that funding is limited. Funding Measures are in place to support inclusion of learners starting at different points in the year.

5.9. The college will promote learner support funds using a range of methods including via school liaison activities, college website, marketing material and internal communication with learners. The College will make learner support funds information accessible for learners to clarify the eligibility criteria and the application processes to enable learners to fulfil their

responsibility regarding the collection, completion and return of application forms with the appropriate required evidence and documentation.

- 5.10. Learners will be advised of the outcome of their application **within 12 working days**. The college will reserve the right to recover funds (where appropriate) including equipment and travel passes from any learner who withdraws from college or those who made a false application. Learners are expected, encouraged and supported to attend 100% of all their classes. This includes English and Maths classes, work placement and any timetabled events. The college will monitor learner attendance and attitude to learning and may make changes to the amount of financial support to ensure it is used effectively. A minimum attendance of 90% is expected to continue receiving support, however the college will apply discretion to promote retention and accommodate learners' individual needs. Bursary funding should not be stopped if the learner is engaged, partially engaged in learning or is likely to reengage in learning. Coaching tutors should make a recommendation to the Learner Funds team about individual learners.
- 5.11. Eligibility for funds is determined by assessment of income against criteria outlined in the application procedure (refer to Appendix 1 for full details). College staff are trained to make assessments and sign the application form to indicate that evidence has been seen. Copies of evidence must be retained by the College for six years. The ESFA and WYCA will carry out checks on learner eligibility so it is vital that all assessments are correct and the evidence of income is correctly recorded.
- 5.12. The college will work with internal and external professionals to identify and support learners who are eligible for the Priority Fund and Care to Learn, maximising uptake of these. Children looked after are eligible for travel and meal awards in addition to the Priority Fund.
- 5.13. Appeals

All awards are made in accordance with the terms of this policy. If a learner disagrees with the award decision, the process to appeal this is:

- Learners should discuss their application with their department's administrative staff and / or their coaching or personal tutor to understand why their application was unsuccessful.
- If a learner feels an unfair decision has been made, they should state their reasons in writing to the Student Funds Finance Manager, who will review the application.
- The final stage of appeal is in writing to the Head of Student Engagement who will make a final decision.

## **6. RESPONSIBILITY**

The responsibility for this policy rests with the Head of Student Engagement and the Student Funds Manager is responsible for its implementation. Refer to Appendix 2 for details of the Policy Decision Making Framework.

## **7. RELATED DOCUMENTS**

The Learner Support Funds 2021-22 Policy will be reviewed biannually and the next review date is January 2022. A new policy will be published annually.

## **10. APPENDICES**

### **APPENDICES**

#### **ADDITIONAL NOTE IN RESPONSE TO COVID-19**

We acknowledge that the college has responded to the impact of Covid-19 and college closure through a series of measures put in place. These include the issuing of supermarket vouchers in place of meal cards and curriculum driven applications for Hardship Fund.

Without certainty for the 2021/22 Academic year the policy will stand as written but with the note for a flexible approach and updating as is fit. Temporary arrangements may need to be considered including:

**Travel** - In the event that attendance is limited a decision to issue travel daily or weekly passes rather than annual passes will be taken.

**Meals** - Where learners are eligible for meals and are not able to be in college, including isolating, collapsed bubbles and remote working, supermarket vouchers to the value of £2.50 per day will be issued. These will be back-dated where necessary.

**Childcare** - This will be reviewed in line with government guidance of lockdown measures.

Digital support - Where a learner is undertaking remote learning, they can apply for the loan of a digital device (e.g. Chromebook) and temporary internet access. The learner must first ask their department for help with a digital device loan.

Careful monitoring of budget will be conducted to allow for the diversion of funds where required.

## **APPENDIX 1**

### **Appendix 1.1. 16-19 Discretionary Bursary and Free College Meals eligibility**

#### **16-19 Discretionary Bursary**

To be eligible for the 16-19 Discretionary Bursary, learners must:

- be aged 16 or over but under 19 at 31 August 2021;
- aged 19 or over if they are continuing on a study programme they began aged 16 to 18 ('19+ continuers') or have an Education, Health and Care Plan (EHCP);
- be a 19+ continuer, this must be the same programme they started before they turned 19, as long as their eligibility continues and their institution considers they need the support to continue their participation;
- on a course funded directly by ESFA or by ESFA via a local authority;
- on a course funded or co-financed by the European Social Fund;
- on a course otherwise publicly funded and lead to a qualification (up to and including level 3) accredited by Ofqual or on the ESFA list of qualifications approved for funding 14 to 19;
- on a 16 to 19 traineeship programme;
- meet the residency criteria in [ESFA funding regulations](#) for post-16 provision. This document also specifies the evidence institutions must see and retain for audit to confirm eligibility for post-16 funding.

When making decisions about awarding 16-19 Discretionary Bursary, we will take into account the availability of other financial support for learners. Awards can be made to learners in the following circumstances (income thresholds are based on the 2020/2021 tax year, which runs from 6 April 2020 - 5 April 2021):

- Learners in receipt of income assessed state benefits, or named on the evidence as a dependent of a person receiving such benefits;
- Learners living in a household with a gross annual income of £28,000 or below;
- Learners, who do not have their own income, must demonstrate how they are being financially supported. If they are living in a household, they are expected to provide evidence of the household income;
- If a learner appears to be living on nil income, it is unlikely that they will be able to sustain themselves on the course. It is important that they seek advice about how they will support their day to day living costs while studying. It is beyond the scope of the fund to support learners' living costs. When choosing to study, the individual needs to consider if they have made reasonable provision for their living costs, either through entitlement to benefits, employment or support from the household they are part of.

For discretionary support for 16-19 year olds, the following documents are acceptable:

- Current Tax Credit Award Notice for the current financial year (Full letter with all pages); provisional tax credit awards and annual reviews must be accompanied by an up to date bank statement;

- Current Universal Credit Notice for the current financial year (Full letter with all pages);
- Current (income assessed) Benefit Claim letter – dated within the last 3 months;
- Letter from Benefit Agency confirming receipt of benefit – dated within the last 3 months;
- Letter from Local Authority confirming Housing Benefit/Council Tax Benefit – dated within the last 3 months;
- Bank statements dated within the last 3 months indicating regular payments from the Benefits Agency;
- Wage slips (minimum of 2 monthly/8 weekly payslips) dated within the last 3 months;
- Proof of recent tax return if self-employed;
- Other evidence may be requested to establish proof of income and household circumstances.

### **Free College Meals**

To be eligible to receive free meals, learner must meet the age, course and residency eligibility criteria for 16-19 bursary fund and must also provide one of the following documents (income thresholds are based gross household income for the 2020/2021 tax year, which runs from 6 April 2020 - 5 April 2021):

- income support;
- income-based Jobseekers Allowance;
- income-related Employment and Support Allowance (ESA);
- support under part VI of the Immigration and Asylum Act 1999 the guarantee element of State Pension Credit;
- Child Tax Credit (provided they are not entitled to Working Tax Credit and have an annual gross income of no more than £16,190, as assessed by Her Majesty's Revenue and Customs (HMRC));
- Working Tax Credit run-on – paid for 4 weeks after someone stops qualifying for Working Tax Credit;
- Universal Credit, if you apply on or after 1 April 2018 your household income must be less than £7,400 a year (after tax and not including any benefits you get)

**Please note that it is vital that assessors correctly record learners who are eligible for Free College Meals and those who are eligible for discretionary meals. Free College Meals are for learners who were previously receiving free school meals at school. Discretionary meal support is for learners who are now eligible for meal support since starting college.**

This might be because their financial needs are already met and/or because they have no relevant costs. Institutions can refuse a learner's application on this basis. Similarly, learners should only receive the amount they actually need to participate and not automatically receive £1,200 if they do not need the full amount.</li> <li>• Payments are made on a weekly basis to learner bank accounts by BACS.</li> <li>• Additional evidence is required, for example, for learners who are in care or a care leaver, written confirmation of their current or previous looked-after status from the relevant local authority is required.
