☺ The Home Office (UKVI)

The Home office is ultimately responsible for the accommodation you are living in and your financial support. The Home Office is the lead UK government department for immigration and visas, passports, policing, fire and rescue services and ensuring that UK citizens are protected. The area of the Home Office that you will be directly dealing with is called UK Visas & Immigration.

☺ **Craven Refugee Support Network (CRSN)** are a collection of groups around Yorkshire which aim to support refugees, raise money and awareness, and provide financial support to refugee organisations.

☺ **Staying Safe**

The UK is generally a safe place. However, you should be aware of your surroundings and be conscious of your own safety.

Some tips for keeping safe are:-

- Tell someone where you are going and what time you are coming back.
- Try to walk in areas where there are other people around.
- When walking at night, stick to well-lit routes even if it is a longer journey.
- Be cautious if a stranger wants to give you money, expensive gifts, offers you work or somewhere to stay.
- If you have a phone, make sure it is charged and has credit in case you need to use it.
- Keep all valuables including your phone safe. Beware of pickpockets.
- At any time, you can ask a police officer, a Police Community Support Officer (PCSO) or even a bus driver for assistance.

☺ **Making a complaint**

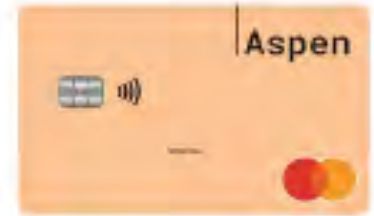

If you feel that you haven't been treated fairly or haven't received a service you have a right to - you can make a complaint. If you would like to make a complaint about any of the organisations in this pack, you should do this through Migrant Help as soon as you can.

If you raise a complaint this will not affect your asylum claim or entitlement to support. You should feel comfortable knowing that any complaints received are taken seriously and investigated by the relevant organisations.

It is important that if you want to make a complaint, to make it as soon as possible. Feedback and complaints are welcomed as they help improve the services that are provided. To do this call 0808 8010 503, or download the feedback or complaints form from the Migrant Help website. The complaint raised will be resolved by Migrant Help directly or they will make sure that your housing provider will deal with it.

☺ Aspen Card

The Asylum Support Enablement Card (ASPEN) is a prepaid debit card that provides weekly support payments to asylum seekers in the UK.

- **How it works:** The UK government loads weekly support payments onto your card. The card can be used in shops and ATMs that accept Visa. The card can be used to buy goods and withdraw cash.
- **Who can get an Aspen card:** Asylum seekers who receive section 95, or section 4, support will receive an Aspen card.
- **How to use the card:** You can use the card to check your balance, activate your card, and report a lost or stolen card. You can get help with payments and questions.
- **Limitations:** Not all ATMs can be used, and there might be extra fees. Those with section 4 support cannot take out cash. The card can only be used in person. Contactless payments under £100 are allowed.

Please contact Migrant Help immediately on 0808-801 0503, if:

- You have not received your ASPEN card yet.
- Your card is lost, damaged or stolen.
