

# Healthcare Support Worker Apprenticeship

Level 2

11 months

Apprentices learn to provide high quality, compassionate care in a range of healthcare settings. Work is varied and interesting, with tasks depending on the needs of individuals in apprentices' care.

## Apprenticeship overview

Healthcare Support Workers can be found in hospitals, care homes and general practice, as well as visiting patients in their own homes. Apprentices will perform clinical duties in line with training and experience, and gain experience working with patients, medical professionals, social care staff and administrative personnel.

## Typical job roles

Healthcare Assistant  
Healthcare Support Worker  
Mental Health Support Worker  
Nursing Assistant  
Personal Assistant  
Support Worker

## Why choose an apprenticeship for your business?

### The benefits, in brief:
