

Teaching Assistant Apprenticeship

Level 3

21 months

Enhancing learning in a classroom setting by supporting teaching staff

Apprenticeship overview

Teaching Assistants work in various educational settings, including primary, secondary, special schools, and further education. They support learners of all ages and abilities by working closely with teachers to enhance learning and development. Their role includes delivering individual or small group teaching, promoting positive learning behaviours, and supporting learners with special educational needs, disabilities, or emotional vulnerabilities. Teaching Assistants collaborate with teachers, professionals, and families, adapt planning under guidance, and help create a safe, inclusive learning environment. They follow safeguarding policies and education standards while encouraging progress and engagement across diverse groups of learners.
